EXPERIENCE

Helpdesk Technician — Provincial Directorate of Economy and Finance, Matola

Dec. 2018 – Mar. 2019

- Provided technical support to internal users, including preventive and corrective maintenance of IT equipment.

PROJECTS

BioMusic — Artist Website

2023

WordPress · Elementor

- Developed an artist website to showcase the works, biography and portfolio of a musician.
- Built custom pages with WordPress and Elementor, structuring the Bio, Projects, Gallery and Contact sections.

BookStore ISCTEM — Library Management System

2023 – 2024

MongoDB · ExpressJs · React Native · NodeJs

- Implemented book registration, favorites and user login features for remote access to the library collection.
- Integrated a RESTful API with a NoSQL database (MongoDB) in a mobile and web application.

AtleChat — Chat Application

2022

Java · Java Sockets

- Developed a Java chat application with socket-based communication.
- Implemented real-time messaging between users on the same network.

SJCWork's Website — Photography Portfolio

2022

HTML · CSS · Bootstrap · JavaScript · PHP · phpMyAdmin

- Built a photographer's website with a photo gallery, blog and contact form.
- Created an admin panel for publishing posts and updating content.
